- preparing and submitting replacement plan to the local authority for approval following a review ( local police plans must be reviewed at least once every 3 years)

The local authority may:

- monitor and provide feedback to the Divisional Commander on policing of its area
- specify policing measures it wishes the Divisional Commander to include in a local policing plan

- 2.2 Informal meetings with Area Committees have taken place since Police Scotland formed on 1 April 2013. As a result of a request from Policy and Resources Committee and Area Committees it was agreed to undertake a programme of informal and formal meetings with Councillors through 2014/15 and that the attached performance reports would be provided at the formal meetings. See appendix 1
