3. Background

3.1 In terms of Section 17 of and in terms of Part 3 of the Licensing (Scotland) Act 2005, a Premises Licence is required to authorise the sale of alcohol on premises from 1st September 2009.

3.2 In terms of Section 30 any application for a variation of a Premises Licence, which is not a minor variation as defined by Section 29(6), must be considered by the Board by means of a hearing.

3.3 A number of applications for variation of Premises Licences are now ready to be put before the Board for consideration. These are listed in Appendix 1 to this report.

3.4 The Board's Scheme of Delegation provides that consideration of Premises Licence is a matter reserved to the Board. Each application should be considered on its own merits

3.5 In relation to the application to be considered by the Board -

- (a) there are no valid objections to the application;
- (b) the hours sought in the Operating Plan are within the Licensing Board's general policy on Licensing Hours as set out in its Statement of Licensing Policy.

4 Proposal

4.1 The Depute Clerk has determined, as outlined above, that the following applications for variation of Premises Licences listed at Appendix 1 to this report are non-contentious applications and asks that the Board grant the same.

4.2 Copies of the application forms, operating plans and layout plans where applicable will be available in the Members Room for perusal by Board Members prior to the Board Meeting from 9.30am.

The Licensing Standards Officers checked to ensure the site notices had been appropriately displayed, and had been displayed for the correct time period, as part of their consultation exercise for each premises.

5.3 The applications were also advertised on the Council's website.

6. Objections and Representations

6.1 No objections were received in respect of these applications.

6.2 In some cases, the statutory consultees have made representations. These were copied to the applicants who have made the appropriate amendments to their applications in order to satisfy the representations made.

6.3 Any applicant who has taken issue with the representations made will have their application considered at a full hearing of the Board at a future Board meeting.

7. Equalities Staffing & Financial Implications

7.1 An Equality Impact Assessment is not needed in this case because the granting or refusing of these applications will not have a differential impact on the protected characteristics of the applicants or any third parties.
