

## REPORT TO AUDIT COMMITTEE – 25 MARCH 2021

### CORPORATE GOVERNANCE FRAMEWORK

#### 1 Reason for Report / Summary

- 1.1 Audit Committee is requested to note and provide comment on the Corporate Governance Framework and to note the ongoing development of an effective framework for the Council with a focus on continuous improvement

#### 2 Recommendations

**The Committee is recommended to:**

- 2.1 Note and agree the consolidation and alignment of duplicate actions in the Corporate Improvement Plan (“the Plan”) (attached as Appendix 1 to this report);**
- 2.2 Note and agree the Annual Governance Statement process and timetable; and**
- 2.3 Note and agree the schedule engagement and dialogue between the Chair and Vice Chair and Policy Committees.**

#### 3 Purpose and Decision Making Route

- 3.1 The Corporate Improvement Plan was presented to Audit Committee on 4 February 2021. It was acknowledged that a number of actions, particularly in respect of the Annual Governance Statement action plans 2019/20 and 2020/21, were duplications and that consolidation and alignment would provide clarity. The Committee agreed to the removal of duplicate actions to streamline the plan and ensure resources are focused appropriately and effectively. Appendix 1 sets out the actions for consolidation. The extract Plan that was presented to Committee on 4 February is attached as Appendix 2 for ease of reference.
- 3.2 Regular monitoring and reporting of the Plan to Audit and Policy Committees demonstrates a commitment to improving governance on a continuing basis through a process of evaluation and review and aligns with the core principles of good governance ensuring that the Council's Code of Corporate Governance is operating effectively in practice. Quarterly updates enhance the scrutiny role of Audit and Policy Committees and add an additional layer to the effective accountability that is already provided by internal and external audit and augment the commitment to monitoring implementation in accordance with the Annual Governance Statement.

## 4 Background

4.1 The Council is required to prepare an Annual Governance Statement in order to report publicly on the extent to which it complies with its [Code of Corporate Governance](#) which is consistent with the good governance principles in the CIPFA/SOLACE Delivering Good Governance in Local Government Framework. The Annual Governance Statement includes

- How the effectiveness of governance arrangements has been monitored and evaluated in the year; and
- Any planned changes in the coming period.

The process of preparing the governance statement should itself add value to the effectiveness and internal control framework.

4.2 Self-assessment is a critical element in the process of preparing the governance statement to demonstrate that the Council has complied with the principles set out in the Good Governance Framework. A self-assessment is being undertaken during February/March 2021. The self-assessment will inform an action plan which will be presented to Audit Committee on 20 May 2021 in advance of their consideration of the Annual Governance Statement. The self-assessment informs the annual effectiveness review and is the mechanism whereby the Council demonstrates that good governance has operated during the year under review.

4.3 In order to enhance the scrutiny and transparency around the Council's processes in place for demonstrating good governance a draft of the Annual Governance Statement will be presented to policy committees prior to sign off by Audit Committee on 1 July 2021. Sharing the draft statement with policy committees provides them with the opportunity of contributing to the annual assessment. Attendance by the Chair and Vice-Chair of Audit Committee at those policy committee meetings will further enhance that process and also provide an opportunity for policy committees to provide appropriate governance assurance.

4.4 The proposed timetable for the Annual Governance Statement is as follows –

Date	Activity
12 February	HGLOG self-assessment review issued to Chief Officers and partner organisations
12 March	Return date for self-assessment review
