

NOTICE OF MOTION

(1) From Councillor Evison:-

“Committee notes that in June 2017 the EIS passed a motion to campaign for free sanitary products to be made available for pupils and students in all schools, colleges and universities. Further, Committee notes that 99% of the Scottish Youth Parliament’s members believe that access to menstrual hygiene products is a basic human right. Committee welcomes the fact that Aberdeenshire schools generally hold supplies of sanitary and other personal hygiene products for pupils who ask for them. Committee requests that consideration is given to making these products more readily and easily available to pupils in need of them.”
