

Project	Description	Delivery Body	Total Funding Approved
Banchory Museum, Banchory	Transformation and re-design of existing library and museum building to a multi-purpose cultural and visitor centre	Aberdeenshire Council (Live life Aberdeenshire)	£478,000
Bridge Street, Banff	Public Realm Improvement Scheme linking up strategic regeneration projects and key areas of the town.	Aberdeenshire Council (Delivery Team)	709,030
The Hive, The Square, Huntly	Huntly and District Development Trust have purchased the former RBS building in Huntly square and are looking to redevelop it into a co-working shared space. The Hive will provide high quality, affordable, environmentally sound and attractive workspace which can be rented on a flexible basis. It will also offer meeting space with technology for conference meetings and workshops and will include support services aimed at Business Development, growth and networking.	Huntly and District Development Trust	£117,263
John Trail Hotel Project, Fraserburgh	The proposed project will see the derelict building at 3-13 Mid Street, Fraserburgh fully restored and brought back into productive use as a small hotel.	NESPT	476,100
30, The Square, Huntly	Huntly and District Development Trust has plans to purchase and re-develop this substantial prominent three-storey town centre building into a mixed use space. On completion, Number 30 will house retail and test trading spaces of varying flexible sizes, a Huntly Heritage Centre, café, visitor information centre, exhibition space, a cinema/lecture theatre, community events space and some office accommodation.	Huntly and District Development Trust with partners	£225,000
Peterhead CCTV	CCTV, circulated throughout the defined BID area of Peterhead town centre, linking to the police station.	Rediscover Peterhead	£79,000
Huntly Heart, Huntly	Deveron Projects intend to purchase the former Square Deal in Huntly Square (application pending approval from the Scottish Land Fund). The upstairs will be converted into accommodation and artists residence and the ground floors will become the 'living room of the town', incorporating various projects and events including the town is the garden project and a proposed heritage bakery project, creating a welcoming space for visitors and residents alike.	Deveron Projects	£227,992

Drummers Corner, Peterhead	This Public Realm enhancement project aims to install a replacement performance drum and an upgrade to seating and lighting adding new artwork to the area to improve aesthetics.	Aberdeenshire Council	£145,000
Car Parking contactless Infrastructure	To upgrade all town centre carparking infrastructure to a contactless system. Reduced parking costs for medium length stays along with the contactless payments will make payments easier and quicker, making parking more accesible and increasing town centre dwell times.	Aberdeenshire Council	£66,660
Grow Banff @ the Vinery, Banff	The application to the SG TC Fund is for the first phase of the Grow Banff @ The Vinery project to re-develop the Vinery site into a flagship site within Banff for community-led regeneration which will improve health and wellbeing, increase skills, provide new opportunities for enterprise and encourage tourism.	Aberdeenshire Council	£242,832
TOTAL			£2,766,877
